Brought forward

Truck to stand over till next meeting on the motion of S Bradley & W. Bradley. (Carried)

The chairman brought forward the position of the finances of the Company and said they were in a very unsatisfactory condition and asked members for suggestions to improve same.

W. Bradley suggested shooting the coal but the chairman did not think it would be possible owing to the nature of the coal.

Another suggestion of W. Bradley was that he would attend the Books and save the expense of the girl that we were paying to do same.

The chairman said that we could not pay the present wages on an output of 4 waggons per day. W. Bradley said that he could not do better than 4 waggons at present. Confirmed 6/2/37
